Despite its small size, the bedding configuration allows for up to 6 people to sleep here. The upstairs bedroom has two built-in armours, a trundle bed, and a split air conditioner. The main room has a futon couch, a fold-down dining table, a flat-screen TV with cable and internet, a bathroom, and a split air conditioner. Despite the limited size of the kitchen, an additional outside kitchen is available for use with ample counter top space, electricity and water. You can take a refreshing swim just steps away from the pool. It is being sold fully furnished and ready for a new owner.
